Mr Farmer's message

Dear families,

The buzz around school this morning when children entered the grounds was amazing. We could feel the excitement as children spotted the climbing wall. All the children have been so courageous and challenged themselves to reach the top. Even some of the adults in school reached the top!

I hope you enjoy the sunny weather whilst it lasts, have a great weekend,

Kind regards,

Mr Farmer

IMPORTANT DATES COMING UP....

Focus on: A letter to our Year 6 Children

Dear Class 6,

We are writing to you this week to wish you all the best for your SATs tests next week. We know that you have all worked extremely hard in preparation for these tests, and we are confident that you will do well.

We want to remind you that these tests are just one small part of your education. They do not measure everything that is important about you as a learner or as a person. You are all unique and special in your own way, and you have all made so much progress this year. We know that some of you may be feeling nervous about the tests, but please try to relax and do your best. Remember that you have already learned everything that you need to know, and you are well prepared for the challenges ahead.

We are so proud of everything that you have achieved this year, and we know that you will continue to do great things in the future.

You'll be amazing,

Mr Farmer, Mr Summerson and all the team at
Lydiard Millicent
