# **Diocese of Bristol Academies Trust**

# **Pupil Attendance Policy**

**Level 2**

**Date Adopted: November 2017**

**Review Date: January 2019**

## 1) Statement of Principle

In the Diocese of Bristol Academies Trust, we believe that attendance and punctuality at our Academies is vital to the wellbeing and future prospects of all our pupils. Attendance and punctuality are intrinsically linked to our Trust's strategy for raising achievement. - To regularly review and agree the Attendance and Punctuality Management Policy, in line with this policy.
- To annually agree attendance targets.
- To take a lead role in supporting the Academy in the implementation of its approach to attendance and punctuality especially in our response to parents in supporting unauthorised absence.

## **4) Absence**

Under Section 7 of the Education Act (1996), parents/carers have a legal duty to make sure that their child(ren) attends the Academy on a regular and full-time basis. Every half day absence has to be classified by the Academy as either authorised or unauthorised. The Academy must record the reason for any half day absence. Unauthorised absence such as truancy will lead to sanctions being taken against pupils or in exceptional cases, extended periods of unauthorised absence may lead to legal action being taken against parents.

Under normal circumstances, the only reason a pupil should miss any lessons is if they are too ill to attend. This is an example of an authorised absence, ie, pupils have missed a morning or afternoon session for a valid reason. Unauthorised absences are those, which the Academy does not consider reasonable and for which no permission has been given. This includes keeping students away from lessons unnecessarily, truancy and absences, which the Academy considers to have not been properly explained.

The Education (Pupil Regulations) 2006 and the DfES Circular 10/99 state that a leave of absence can only be granted at the discretion of the Local Board/Principal.

The Local Board/Principal should not grant leave of absence unless there are exceptional circumstances. The application must be made in advance and the Local Board/Principal must be satisfied that there are exceptional circumstances based on the individual facts and circumstances of the case which warrant the leave. Where a leave of absence is granted, the Local Board/ Principal will determine the number of days a pupil can be away from school. A leave of absence is granted entirely at the Local Board/Principal's discretion. Only in exceptional cases shall more than ten days be granted in any one year.

## **5) Procedures for Registration**

Each Academy should set out its policy and procedures for registration and ensure that all staff, pupils and parents/carers are aware of the procedures. These should include how to report sickness absence or apply for leave of absence, when a pupil will be marked as 'late' and the consequences of this.

## **6) Punctuality/Truancy**

It is vitally important that all staff are punctual to ensure that pupils understand that lateness is not acceptable. Year / Phase/Senior leaders must reinforce the importance of punctuality and attendance when communicating with pupils and parents.

Procedures for dealing with lateness and truancy should be set out in the Academy's Attendance Policy and Procedures document

## **7) Strategies for Ensuring High Attendance and Excellent Punctuality**

Senior Leaders at each Academy should take overall responsibility for encouraging and rewarding publicly high attendance and excellent levels of punctuality. This will commonly be achieved through assemblies and reward schemes. These may include certificates or other rewards for 100% attendance.

### **7.2 First Day contact and Dealing with absence**

Attempts should be made to contact any parent/carer on the first day of absence and establish the reason for absence. A telephone call can substitute for a note but the authenticity of the caller must be established. Where contact has not been possible, this must be followed up and signed notes should be obtained from parents. Information regarding pupil absence must be recorded against the relevant pupil's record, including any attempts to contact the parent/carer.

A list of all outstanding absences should be regularly reviewed and reasons for absence pursued.

### 7.3 Attendance Support

Attendance and punctuality should be regularly monitored by senior leaders and the local Board.

Where students are likely to have a period of long absence, for example from a period of illness, then arrangements should be made for appropriate work to be sent home and marked when returned. Class teachers should also ensure contact is maintained eg through newsletters.

Where there is a significant pattern of absence, the Lead for Attendance should:

- Involve the EWO in developing strategies for intervention.
- Attend as relevant, weekly panel meetings to discuss any students causing concern regarding attendance and punctuality.
- If attendance falls below 85%, work with the EWO in convening a “Persistent Absence, (PA)” attendance panel meeting, involving parents, in establishing targets for attendance and punctuality along with strategies for support in successfully reintegrating students back into the Academy.
- Students with attendance between 85% and 90% should also be tracked and the appropriate intervention taken, for example, a meeting with parents. Patterns should also be analysed to detect any condoned absence or suspected periods of truancy.
- For attendance between 90% - 95%, staff should play an active role in advocating the importance of full attendance to both pupils and parents.
- If the attendance is longer than a period of ten continuous days and is treated as unauthorised absence then key agencies should be informed.
- All steps should be taken to ascertain the student’s whereabouts and documentation should be kept on this process.
- The LA must be further informed if the student’s absence is continuous for a further 10 days if whereabouts are unknown and all contact has failed.

In a small minority of cases, referrals may have to be made to the LA, for example, where parents are unwilling and failing to comply with the agreed action plans as a result of a panel meeting. This may lead to the issue of a fixed penalty notice and possible court action being taken if the LA involvement does not lead to the student returning to the Academy.

### 7.4 Warning Letters and Fixed Penalty Notices (FPNs)

The Trust believes that when avenues of supportive intervention such as telephone calls, meetings with parents and any home visits have been used and there has been no improvement in attendance then we will use the legal avenues that are open to us. The Trust encourages Academies to use the following:-

### **7.4.1 Leave of Absence**

As stated in Section 4, the Academy does not support any holidays requested during term time. If a request is made for a leave of absence and this is not approved and the student does not attend during the stated period then a fixed penalty notice could be issued upon the student's return.

### **7.4.2 Students with less than 90% attendance (with unauthorised absence)**

Students who have less than 90% attendance with any period of unauthorised absence within a 6 week period will receive a warning letter from the Academy. This letter will state the student's overall attendance percentage and that if there is no improvement in attendance, normally within the subsequent 2 week period then a meeting with parents will be arranged.

### **7.4.3 Late for the Academy day (after registers have closed – use of the U code)**

Students who arrive at the Academy after 9.30am are registered as "late after the registers have closed" and this is recorded as a U, which is an unauthorised absence for the am session. Any parent/carer of a student who records more than 5 U codes in any one half-term a meeting will be arranged. This will be preceded by a warning letter to the parent/carer after the 3rd U is recorded in the Academy register informing of the consequences of reaching a 5th U in the register.

## **7.5 Reintegration Programmes**

If a student has had a period of absence for longer than five days then the class teacher/form tutor will instigate the reintegration programme. This will involve the class teacher/tutor supporting their pupil in reintegrating back into Academy life. It will involve a series of support meetings initiated by a first meeting that explains the programme to students, discusses subject issues and sets agreed targets. This is then developed through further support meetings over a period of two weeks after the date of return. The completed form will then be placed in the student's file. The form is in Appendix 3.

## **7.6 Reintegration through the Guidance manager**

Following a period of prolonged absence, a student will be referred to the EWO or other appropriate person depending on the level of support required. A meeting will take place with the parent/carer and student to discuss a reintegration programme. Consideration will be given to a reduced timetable initially to ensure a smooth reintegration.

## **8 Monitoring, Evaluation and Review**

The Senior Leaders of the Academy will monitor the effectiveness of this policy through analysis of attendance data and reports. Patterns of lateness or absence should be

identified and action plans generated. These could include reviewing any related policies and procedures such as Student Voice/Council in working with students to generate strategies to improve punctuality. Comparisons will be made across the Trust and where appropriate actions to improve attendance and/or punctuality will feature in Academy Improvement Plans.

## **Appendix 1: Guidance on Attendance for Parents and Carers of Lydiard Millicent CE Primary School & Ridgeway Farm CE Academy**

### **School Day**

Lydiard Millicent CE Primary & Ridgeway Farm CE Academy have high expectations regarding punctuality and attendance.

School doors open at 0850 at Lydiard Millicent CE Primary School, children are expected to have arrived by 0855 when the register is taken. Any child arriving after this time will be marked down as late. We encourage children to arrive as close to 0845 as possible as valuable 'Early morning work' is completed during this time.

School doors open at 0840 at Ridgeway Farm CE Academy, children are expected to have arrived by 0855 when the register is taken. Any child arriving after this time will be marked down as late. We encourage children to arrive as close to 0845 as possible as valuable 'Early morning work' is completed during this time. 1 child arriving at 0840 compared to one arriving at 0855 spends an extra 1 hour 15 minutes longer in school each week.

### **Term-time absence**

#### **The Education (Pupil Registration) (England) Regulations 2006**

Amendments have been made to the 2006 regulations in the **Education (Pupil Registration) (England) (Amendment) Regulations 2013**.

***Headteachers are no longer allowed to authorise holiday during term time.***

Amendments to the 2006 regulations remove references to family holiday and extended leave as well as the statutory threshold of ten school days. The amendments make clear that headteachers may not grant any leave of absence during term time unless there are exceptional circumstances. Headteachers should determine the number of school days a child can be away from school if the leave is granted.

At Lydiard Millicent CE Primary & Ridgeway Farm CE Academy schools, if parents wish that their child is absent for school for whatever reason this request should be put in writing to the headteacher. The headteacher's decision on each matter is final and will be supported by the governing body.

The local governing body for both schools have defined 'exceptional reasons' as follows:-

- Absence due to bereavement of close family / friend of the family
- A family wedding or other celebration – in the UK a maximum of 3 days would be authorised allowing for traveling to and from the event. Up to 5 days would be authorised if the event took place outside the UK but within Europe. Up to 10 days would be authorised if the event took place outside Europe.
- A significant religious event
- A family crisis, when a family would benefit from time together
- When a parent is a member of the armed forces and is prevented from taking holiday during school holidays

- When holiday dates do not coincide with holiday dates in state & academy schools where siblings attend.

Absence will not be granted:-

- Due to availability of cheaper holidays during term time as opposed to the school holiday period
  - To extend a holiday beyond or before school holiday dates
  - During Y6 SATS & the Y1 Phonics test (including Y2 pupils who are retaking this assessment). The dates of these assessments are published annually. A family crisis, bereavement or illness would be the only reasons that would be considered for an absence during this period.
- To parents who request the similar period of absence annually,

Children's attendance & levels of achievement and progress will be taken into account when assessing requests.

If a pupil accumulates 5 or more days of unauthorised absence within the previous 6 month period of a current academic year, the school must notify the Local Authority and a Penalty notice will be issued to each parent for each child where that applies.

Should a penalty notice be issued, each parent must pay £60 per child if they pay within 28 days, or £120 if they pay within 42 days if they fail to ensure their child's regular attendance at school.

The school may request medical evidence of a child's absence from school in certain circumstances to ensure our registers are accurate and comply with Government guidelines. They may apply to extended periods of absence, or periods of absence immediately prior to, or after, an official school holiday. Such evidence may be in the form of an appointment card, or compliment slip from the GP, an appointment letter or the tear off slip from a prescription.
