

READING

Remember to read at least 3-4 times a week. Write a comment in your reading record.

SPELLINGS

Don't forget to practise your spellings weekly and learn the words on the **Year 5/6 spelling list**.

MATHS

Practise your times tables, up to 12×12 .
Mathletics.

Research one of the world's highest mountains and create a PowerPoint presentation all about it. Make it fun and visual with lots of facts and images!	2pts
Find the top 6 highest mountains in the world and find out their height, country it is in, date first summited and who that was.	3pts
Find some unusual facts about mountains which you think people may not know. Make sure they are interesting and maybe even strange!	2pts
Find 5 songs which mention mountains in them. Write the song name, artist and the line/lyric which contains the word.	1pt

YEAR 5 TERM 3

Altitude Sickness

This is your pick and mix home learning. Complete 1 of these activities each week, handing the completed learning in by Friday. The activities range in time and detail - some will take 20 minutes, others could take up to an hour. Remember to try and get as many points as possible!

Homework Certificates

Bronze - 6 points, Silver - 10 points,
Gold - 13 points, Platinum - 16 points.

With a friend, watch a documentary on mountains. Write about 5 things you learn and remember to say what documentary it is. (David Attenborough has done many!).	2pts
Get messy! Using food can you make a mountain? You could use jelly, mashed potato, bake a cake? Take many pictures for evidence! Warning - messy but fun!	3pts
With an adult, go for a walk up the steepest hill/incline near you. This could be $\frac{1}{2}$ an hour walk or a full day expedition. Take photos of your walk and write about how the steepness felt and imagine what it would be like for a mountaineer.	3pts
Make a poster about the water cycle, remember to use key words such as precipitation and evaporation etc.!	1pt

Using your favourite photo of any mountain, can you recreate it by drawing it with another medium? (E.g. Chalk, paint, pencil sketch, a programme on a computer)	3pts
15 minutes practise on Times Tables Rockstars.	1pt
Create your own flash cards for a times table game. Choose between $x6$ $x7$ $x8$ $x9$ $x12$	2pts
If I climbed the 10 highest peaks in the world how many metres would I have climbed? Show each step with pictures and correct mathematical methods.	3pts

Find a picture of Sir Edmund Hillary in his mountaineering clothing, compare this with a modern mountaineer. What are the differences? Get a photo for each person and use labels to compare.	3pts
Write a description of a mountain as if you are the mountain. (Use your imagination!) E.g. I am strong and I am rocky, I have the coldest head and the widest bottom... Make it fun and effective!	2pts
Create a True or False Quiz about the mountains of the world. It must have at least 10 questions with a second page for the answers!	1pt
Find a news article which involves a mountain. Does it show mountains in a good way or a bad way? Explain what you can learn from this news article.	3pts
