

# PGL - Liddington 2019

# Residential for 2019

Monday 18<sup>th</sup> to Friday 22<sup>nd</sup> March

# Our Aims:

---

- To develop confidence & self-esteem;
- To develop increased independence;
- For children to see peers and adults in a different light;
- For children to reflect on their own skills and challenge themselves;
- To create a supportive environment where children feel they can push themselves further.

Accommodation

Zip Wire  
Quad Biking  
Open Canoeing  
Tunnel Trail  
Crate Challenge  
Raft Building

# Notes from the Meeting:

- No mobile phones - we will keep in close contact with the school and Year 6 can send postcards! Please note that last year the gift shop did not sell stamps! There will be a blog on the front page of the LM website.
- Children are so busy that they rarely get homesick! As always, once the children are on site, parents will not be allowed access unless in an emergency.
- Luggage - I know the kit list is long but please try to keep the luggage to a size/weight that the children can wheel or carry with little help
- Kit List
- Medical form sent out
- Personal Items - children's own responsibility (this includes any cameras)
- Pocket Money - optional and maximum of £10, there will be 2 or 3 shopping opportunities at the gift shop.
- Sweatshirts - FOLMS are donating PGL hoodies again this year.

## What Next?

Extra medical form will be sent if you have indicated medicine is required.

Children will find out groups and rooms before the week of departure.

A final letter will go out before we go.

If you have any questions, please do not hesitate to come and ask us.

*SATs 2019*

*Year 6*

*Lydiard Millicent CE Primary School*

Wednesday 15 <sup>th</sup> May	Mathematics Paper 1: Arithmetic Mathematics Paper 2: Reasoning
Thursday 16 <sup>th</sup> May	Mathematics Paper 3: Reasoning

# Living with SATs

## At School

- Practice papers to get children familiar with the format - we don't want anyone to panic when they see their first paper!
- Revision to help with the content - we have got lots of resources to help with this and make it as fun as possible.
- Breakfast in the morning to help with energy for the day.
- Bringing in a 'mascot' or a plush toy for moral support.
- Afternoon activities focussed on the practical, stress-relieving side of the curriculum.
- Answering questions about what SATs are for and how it affects secondary school (it doesn't really!).
- Reminding children that all we would ever ask for is their best effort.

## At Home

- Revision at home if the children want it - we would be more than happy to provide any resources you like or there are a wealth of online options.
- Rewarding effort not results.
- Letting them get something off of their chest.
- Avoid asking how the tests went - sometimes it's best not to relive it!
- Suggest that they avoid comparing how things went with a friend.
- A good night's sleep every night in the run up to assessment week.
- Don't bring it up - praise where praise is due, but sometimes it's best that these things don't feel like a big deal.
