

**Believe, Learn, Grow.**

# To Infinity and Beyond!

February 2019

Dear Parents and Carers,

What a fantastic start to the term we have had! We received a message from Captain Proton, setting us a mission to find the aliens that have escaped to Earth! The children have been busy looking for clues and using the space station to communicate with Captain Proton, on the moon.

## **Topic Web**

Please find attached a copy of this term's topic web. This gives an outline of the teaching and learning experiences for the coming term. The topic this term is called 'To Infinity and Beyond!' We will be using the story of 'Man on the Moon (a day in the life of Bob)' as our focus text. We will also be reading 'Whatever Next!', 'Aliens Love Underpants' and 'How to Catch a Star'. There are also suggestions of things that you might like to do at home with your child. We would really like to see what the children have been doing at home. Please can you put any home learning on the Interactive Learning Diary or send in a Wow moment!

## **Spellings**

Your child has now received their spellings to learn at home. Please ensure that they are practising these at home. If you have any questions please come and see us.

## **Spare Clothes**

Unfortunately, we are still running low on spare clothes. Please ensure any clothes given out from school are washed and returned as soon as possible. If you have any spare clothing that you would like to donate, we would be very grateful.

## **Justice – Value of the Term**

This term, we will be learning about justice. I have added the poem we will be using...

**J**udging what is right

**U**nderstanding what is fair

**S**tanding up for those who need help

**T**rying to listen to both sides

**I**nformed and wise decisions

**C**aring enough to take action

**E**qual opportunities for all.

If you have any questions please feel free to come and see us.

Many thanks for your ongoing support,

Miss Horton and the EYFS Team
