

Physical Development

- Experiment with different ways of moving.
- Negotiate space successfully when playing racing and chasing games with other children, adjusting speed or changing direction to avoid obstacles.
- Show increasing control over an object when pushing, patting, throwing, catching or kicking it.
- Use one-handed tools and equipment.

ILD ideas for home: use a climbing frame at the park, ride a bike, play with a ball.

Focus Story

The Man on the Moon.
A Day in the Life of Bob.

Topic Web - Spring 2 To Infinity and Beyond!

Mathematics

- In practical activities and discussion, begin to use the vocabulary involved in adding and subtracting
- Begin to use mathematical names for 'solid' 3D shapes and mathematical terms to describe shapes.
- Order and sequences familiar events.
- Measure short periods of time in simple ways.
- Show an interest in representing numbers.
- Begin to form recognisable numbers.

ILD ideas for home: look for shapes in the environment, practise writing numbers, use a timer.

Communication and Language

- Can build their listening and attention. Can answer 'how' and 'why' questions.

ILD ideas for home: think of questions to ask the astronaut, listen to an adult explain how something works and explain it to a friend.

Expressive Arts and Design

- Represent their own ideas, thoughts and feelings through role play and stories.
- Capture experiences and responses with a range of media, such as music, dance and paint and other materials or words.

ILD ideas for home: make a rocket or an alien.

Literacy (English)

- Show awareness of rhyme and alliteration.
- Know how to form a sentence.
- Can give meaning to marks made and can use the classroom to support own learning.
- Can name the letters of the alphabet.
- Can give meaning to my marks. I understand the use of capital letters and full stops.
- Can form recognisable letters.

ILD ideas for home: make some silly rhyming alien names, play I spy, write a letter to the astronaut.

Understanding the World

- Comment and ask questions about aspects of their familiar world such as the place where they live or the natural world.
- Use ICT hardware to interact with age-appropriate computer software.
- Know some of the things that make them unique, and can talk about some of the similarities and differences in relation to friends or family.
- Understanding of why a palm cross is a special symbol, or reminder, for Christians.

ILD ideas for home: complete programs on an iPad or computer at home, create a family tree, go on a 'Welly Walk'.

Value of the Term: Justice

Judging what is right

Understanding what is fair

Standing up for those who need help

Trying to listen to both sides

Informed and wise decisions

Caring enough to take action

Equal opportunities for all.

ILD ideas for home: record your child recounting a time when they have shown justice.

Personal, Social & Emotional Development

- Can tell when they are feeling sad, angry or happy and show someone.
- Can tell someone how it feels when things are unfair.
- Can tell someone how they feel if they are missing someone or have lost someone or something they care about.

ILD ideas for home: think about the things that make them happy or sad and draw pictures to illustrate these feelings.
