

READING

Remember to read at least 3-4 times a week. Write a comment in your reading record.

SPELLINGS

Don't forget to practise your spellings weekly and learn the words on the **Year 5/6 spelling list**.

MATHS

Practise your times tables, up to 12×12 .
Mathletics.

Find five songs which mention mountains in them. Write the song name, artist and the line/lyric which contains the word.	1pt
Write an acrostic poem with the word MOUNTAIN.	2pts
Find some unusual facts about mountains which you think people may not know. Make sure they are interesting and maybe even strange!	2pts
Create a wanted poster for the next mountaineer to climb K2. What skills and attributes do they need to have to survive the climb?	3pts

YEAR 5 TERM 4

Altitude Sickness

This is your pick and mix home learning. Complete 1 of these activities each week, handing the completed learning in by Friday. The activities range in time and detail - some will take 20 minutes, others could take up to an hour. Remember to try and get as many points as possible!

Find a picture of Sir Edmund Hillary in his mountaineering clothing, compare this with a modern mountaineer. What are the differences? Get a photo for each person and use labels to compare.	3pts
Using your favourite photo of any mountain, can you recreate it by drawing it with another medium? (E.g. Chalk, paint, pencil sketch, a programme on a computer)	3pts
With an adult, go for a walk up the steepest hill/incline near you. This could be half an hour walk or a full day expedition. Take photos of your walk and write about how the steepness felt and imagine what it would be like for a mountaineer.	3pts
Science - Who is Tim Peake? Why is he famous? What is his profession? Find five facts about him.	2pts

Write a description of a mountain as if you are the mountain. (Use your imagination!) E.g. I am strong and I am rocky, I have the coldest head and the widest bottom... Make it fun and effective!	3pts
15 minutes practice on Times Tables Rockstars.	1pt
Create your own flash cards for a times table game. Choose between $x6$ $x7$ $x8$ $x9$ $x12$.	2pts
Research one of the world's highest mountains and create a PowerPoint presentation all about it. Make it fun and visual with lots of facts and images!	2pts

Create a survival guide for climbing Mount Everest. Draw your camping bag and include all of the essential items for climbing a mountain. Explain why they are so important.	3pts
Science - create a moon diary for a week. Draw the moon and describe its phase.	2pts
Create a True or False Quiz about the mountains of the world. It must have at least 10 questions with a second page for the answers!	1pt
Find a news article which involves a mountain. Does it show mountains in a good way or a bad way? Explain what you can learn from this news article.	3pts

Homework Certificates

Bronze - 6 points, Silver - 10 points,
Gold - 13 points, Platinum - 16 points.

Believe, Learn, Grow
