

Keeping in Touch Letter

Friday 22nd May 2020

Dear Parents/Carers,

I can't quite believe we are at the end of Term 5! This week, we have attached some resources from Place2Be in support of positive mental health and we thought these activities, along with the I Can Pray sheet, might be something that families would enjoy sharing during the break.

We have also attached a letter from Jeremy Piper, our CEO, regarding the preparations for any reopening of schools within the Trust. Our risk assessments and plans have been completed and now need to be assessed and ratified by the Local Board and the directors of the Diocese of Bristol Academy Trust before I can confirm any opening plans with you all. However, I felt it was important to bring to your attention that in the first phase of reopening our schools, for many of the reasons listed in the CEO's letter, we may only be able to open for the first priority group - vulnerable children, children with EHCPs and children of key workers. Further details will follow on Monday 1st June and we will share our rationale and plans with you at that time.

As much as we want to see every single one of our children back in our classrooms, the safety of your children and our staff has to come above everything else. Thank you for your continued patience and support. I hope you have a lovely half term break.

With very best wishes,
Mrs C Luce
Headteacher
