Headteacher: Mrs Carly Luce

Dear Parents/Carers,

As I'm sure you will have heard in the Prime Minister's announcement this evening, schools in England have been directed to move to remote learning and will only be open to children of essential/key workers and those children identified as vulnerable.

If you are an essential/key worker and have requested a place via the ParentMail form sent today or your child has an EHCP, then you can bring your child to school in the morning and follow the usual routines – the same drop off and pick up arrangements (reminder of times is below), same school uniform and lunch arrangements etc. Based on the number of children attending, we may alter the arrangements in some way but we will review this and update you as soon as possible.

We ask that you only request a place if you absolutely need to do so.

If you believe that your child should be categorised as vulnerable and the school has not been in touch with you about this, please contact the School Office in the morning. We will have as many staff available in the morning to assist with your enquiries as possible.

Please note that due to the late notice of this closure, we have not had any communication with Wiltshire Transport.

Access to remote learning will be available on the school website and we will provide further information tomorrow morning to ensure that all children who are learning at home have access to everything they need. Please email the School Office if you require a Microsoft Office licence.

Thank you for your patience and understanding.

With my very best wishes,

Mrs C Luce

Principal

Year 5, 6 and younger siblings

- Drop off: 8.30 am
- Pick up: 2.40 pm

Year 3, 4 and younger siblings

- Drop off: 8.45 am
