

READING

Remember to read 3-4 times a week. Ask an adult to write in your reading journal.

SPELLINGS

Don't forget to practise your spellings weekly and learn any key words.

MATHS

Practise your times tables, up to 12 x 12. Your Times Table Rockstars log in is in your Reading Journal.

• Find something at home that is really old or waiting to be thrown out - create the most persuasive advert you can for your rubbish!	3pts
• Write a discussion text about a topic of your choice.	2pts
• Find a partner. Start with a simple sentence. Take it in turns to add clauses to your sentence - whoever adds the last clause wins!	2pts
• At home, discuss what kinds of book you like to read. What genre are they? Write a simple description of books in your favourite genre. E.g. My book is a thriller. Thrillers are...	2pts

• Complete the weekly task on Mathletics.	3pts
• Write down your age in years and months (eg 10 years 8 months). Write your age as a fraction (10 8/12). Write that fraction as simply as you can (10 2/3). Now write your age as an improper fraction (32/3). Compare your fraction with at least two other people - can they simplify their improper fraction?	3pts
• Earn 5000 more coins on Times Table Rockstars!	3pts
• Ask someone for a 3 digit number. Write the number at the top of a large piece of paper. Underneath, write two numbers which add to give your number. Keep going - how many layers will your wall have?	3pts

Incredible Inventions

Believe ~ Learn ~ Grow

YEAR 6

TERM 3 - Incredible Inventions

This is your pick and mix home learning.

Complete at least 1 of these activities each week, handing the completed home learning in on a **Friday**. You should spend **no longer than 1 hour per week** on an activity and take activities from **all** of the different sections.

• Write about a time that you showed courage and illustrate it.	2pts
• Create a poem that shows our value of courage.	2pts
• Build and test a range of parachutes that protect a small object (like an egg!). Record evidence and present on your finished product.	4pts
• Design a new product that people would want to buy! You could draw a blueprint for your invention too!	2pts
• Create a detailed blueprint of an invention in your home - make sure you annotate the important parts!	3pts
• Research a famous inventor and present this as creatively as you wish!	3pts
• Research an invention that is significant to you and create a timeline of how it developed.	3pts
• Create a video explaining how an invention in your home works (toasters are a good one if you're stuck for ideas!). This can be sent to the Office.	4pts

Home Learning Certificates

Bronze - 6 points, Silver - 10 points, Gold - 15 points, Platinum - 20 points

25pts+ Special Award!
