

## READING

Remember to read 3-4 times a week. Ask an adult to write in your reading journal.

## SPELLINGS

Don't forget to practise your spellings weekly and learn any key words.

## MATHS

Practise your times tables, up to 12 x 12. Your Times Table Rockstars log in is in your Reading Journal.

• Use different items around the house/garden to make your spelling words and take a photo.	2pts
• Think of something that might cause a disagreement at home or school (rules to a game, when to tidy your room, etc.) and write a persuasive argument to bring someone around to your point of view.	3pts
• Come up with 3 or 4 text messages (that use text message language). Re-write them as formally as if they were a note to the Queen.	3pts
• Write an 'I feel...' statement (I feel excited about PGL.). Use synonyms and alternative pronouns to write 10 statements that mean the same as your first (I am eager about the residential).	2pts

• Complete a task on Mathematics.	2pts
• Find a magazine (or a newspaper). How many pages are there? How many pages have adverts on them? Write a sentence expressing a proportion (My magazine has ___ pages, ___ have adverts on them.). Create a ratio like this... (Number of pages with adverts: number of pages without adverts) then simplify it.	3pts
• Earn 5000 more coins on Times Table Rockstars!	2pts
• Look up the temperature for 10 locations around the world. Put them in ascending order. Imagine that you are on a trip that takes you to five of these destinations. What is the difference in temperature between each location?	3pts

Believe ~ Learn ~ Grow

## YEAR 6

### TERM 4 - Energy Matters

This is your pick and mix home learning.

Complete at least **1** of these activities each week, handing the completed home learning in on a **Friday**. You should spend **no longer than 1 hour per week** on an activity and take activities from **all** of the different sections.

• Write about a time that you showed Forgiveness and illustrate it.	2pts
• Write a prayer which focuses on Forgiveness.	2pts
• Explain, as clearly as possible, how a renewable energy source of your choice works - bonus marks for creative and clear diagrams!	4pts
• Record the route taken on a family outing or trip to the shops on a map. See if you can use the map to work out how far you travelled.	3pts
• Research a major discovery in Electricity. Who was the scientist behind it? Why was it a major discovery?	2pts
• Pick an everyday item from around the home. What resources have been used to make this item? Where have these resources come from? Present your answers as creatively as possible.	3pts
• Draw a map using Ordnance Survey symbols (it could be of a real or fictional place).	3pts
• Take a label from your favourite food (tinned foods work best!) - where do all the ingredients come from? Show this on a map of the world. What are the food miles for this food? <a href="http://www.foodmiles.com">www.foodmiles.com</a>	4pts

### Home Learning Certificates

Bronze - 6 points, Silver - 9 points, Gold - 12 points, Platinum - 15 points

20pts+ Special Award!
