

# Lydiard Millicent CE Primary School

Believe ~ Learn ~ Grow

Friday 9th October

Dear Parents/Carers,

You may have noticed that we have not yet issued a Calendar of Events for the year. As we are sure you will understand, with the current restrictions and a constantly changing national picture, we must plan for some of these events to go ahead in a different way.

## Parents' Evenings

EYFS and KS1	Wednesday 4 <sup>th</sup> and Thursday 5 <sup>th</sup> November
KS2	Tuesday 10 <sup>th</sup> and Thursday 12 <sup>th</sup> November

This year, our parents' evenings will be completed via phone consultations between teachers and families. Next week on Monday 12<sup>th</sup> October, a ParentMail will be sent for booking a slot as we have done previously for face-to-face meetings. Bookings will go live at 6pm. These will be 10-minute slots and teachers have to be strict in their timings, as other parents will be waiting for their phone call. These calls will be an opportunity to discuss your child's progress so far and next steps for their learning. Please be prepared for these meetings with any questions you may have. A follow up phone call will be arranged if there are further concerns or the discussion was not completed.

## Photographs

As we are unable to let parents into the school to see our learning we are going to bring the classrooms to you. Please take a look at the website under the *Class Galleries* to view a snapshot of learning opportunities for your child's class.

We have taken the decision to postpone the individual photograph sessions originally scheduled for this term until the Spring Term when hopefully we may be able to offer sibling group photographs too.

## Staggered drop off and pick up

Pick up and drop off - please remember to stick closely to the family timings given at the beginning of term for pick up and drop off. The system is working well and we need to make sure it continues to do so as it significantly reduces the number of people on site at any one time.

Have a lovely weekend.

Best wishes,

Mrs J dos Santos  
Head of School
