

Believe ~ Learn ~ Grow  
Lydiard Millicent CE Primary School

WB 11.01.21

Day	Session	Teaching & Learning
MONDAY	Dough disco	<p>Start your day with some Dough Disco! If you don't have any playdough, you could make some with your family.</p> <p><a href="https://www.youtube.com/watch?v=zJQ2CaA7E50">https://www.youtube.com/watch?v=zJQ2CaA7E50</a></p> <p>Here is a really good recipe if you're going to have a go at making your own.</p> <p><a href="https://theimaginationtree.com/best-ever-no-cook-play-dough-recipe/">https://theimaginationtree.com/best-ever-no-cook-play-dough-recipe/</a></p>
	Phonics	<p><b>Watch the pre-recorded phonics video - Monday phonics video (wb 11.01.21).</b> You will find this in The Learning Zone of the ILD.</p>
	English	<p><u>Little Red</u></p> <p>Give your child some ginger beer to try (or an alternative drink if you don't have any). What does it taste like? How does it feel on your tongue?</p> <p>Create an advert for Ginger Beer and include the fact that it keeps wolves away but that you also need to be careful because it makes you belch! <b>Watch the pre-recorded video - Monday English video (wb 11.01.21)</b> - to give you a few ideas. On the ILD, in The Learning Zone, there is a <a href="#">page border</a> saved that you could use for the advert but you could also just use plain paper.</p>

## Maths

Watch the video found on - <https://whiterosemaths.com/homelearning/early-years/alive-in-5-week-1/> session 4 and then complete the [following activity](#).

The image shows three worksheets for a number comparison game. Each worksheet has a header with the hashtag #MathsEveryoneCan and a cartoon character. The first worksheet is titled 'Why not play your own comparison game with a friend. If you don't have your own cards, cut out and use the cards below.' It features a 2x3 grid of cards: a pencil case with 3 pencils, a pencil case with 2 pencils, a red square with 1 dot, a red square with 4 dots, a ladybug with 6 spots, and a ladybug with 3 spots. Below the grid is the instruction 'Look out for who has more!' and a 'White Rose Maths' logo. The second worksheet is titled 'If you don't have your own cards, cut out and use the cards below.' It features a 2x3 grid of cards: a hand with 3 fingers, a hand with 5 fingers, a row of 3 red dots, a row of 2 red dots, a single carrot, and a bunch of 4 carrots. Below the grid is a 'White Rose Maths' logo. The third worksheet is titled 'You could even make some of your own cards to play the game with. You could draw dot plates, dice or any picture to represent numbers to 5.' It features a 2x3 grid of empty rounded squares for drawing. Below the grid is a 'White Rose Maths' logo.

This file can be found on the ILD in the Learning zone.

## Games

Play musical chairs but with words for reading. Write some words on paper and place them on the dining room chairs, the sofa, the floor - wherever! Put on some music and, when the music stops, they must blend the word to read before they are allowed to sit down! Take away the word they have read and make it trickier! You could use 'Tricky words' or decodable words - why not choose some from your child's Tricky word sheet in their book bag. Please add a video to the ILD so that I can join in the fun.!

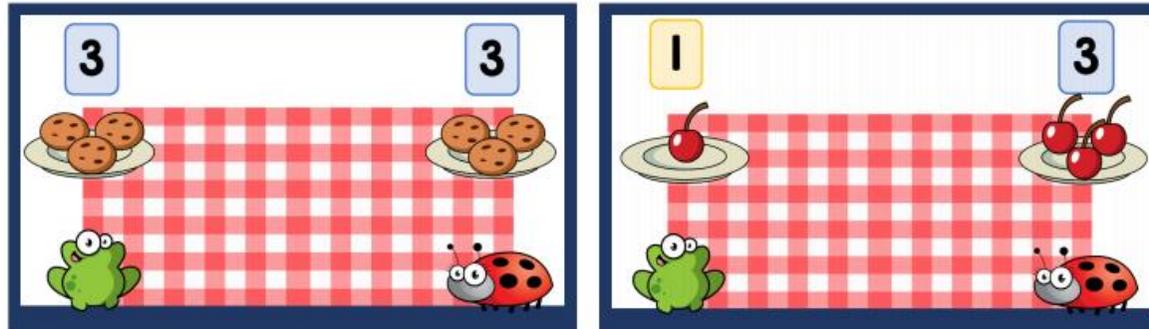

<b>TUESDAY</b>	Wake and shake	Start your day with 'Wake and shake.' This is one of our favourites in class - The eye of the tiger.  <a href="https://www.youtube.com/watch?v=MOUUXpYXEpE">https://www.youtube.com/watch?v=MOUUXpYXEpE</a>
	Phonics	<b>Watch the pre-recorded phonics video - Tuesday phonics (wb 11.01.21).</b> You will find this in The Learning Zone of the ILD.
	English	<u>Little Red</u> Remind yourselves of the story of Little Red.  <a href="https://www.youtube.com/watch?v=dEypjQeNb0k">https://www.youtube.com/watch?v=dEypjQeNb0k</a>  <b>Watch the pre-recorded video</b> where I will draw a story mountain. - <b>Tuesday English video (wb 11.01.21).</b> You will find this in The Learning Zone of the ILD. I have also saved a blank copy of the story mountain in the same place so that you can have a go at making your own story mountain at home. You could ask an adult to write the phrases/sentences for you or you could draw pictures to show what happens in the story.
	Maths	Watch the video found on - <a href="https://whiterosemaths.com/homelearning/early-years/alive-in-5-week-1/">https://whiterosemaths.com/homelearning/early-years/alive-in-5-week-1/</a> session <b>5</b> and then complete the following activity.

# #MathsEveryoneCan

Set up a teddy bears picnic and gather some food or objects to share.  
Explore sharing the food or objects between 2 teddies.

Do both teddies have the same? Or does one teddy have more or fewer?  
Now have a go at sharing between 3 teddies.

Have a go at writing the numbers to show how many each of your toys were given.

## Role play

### Little Red

Could you set up 'Ye Olde Belch Inn' at home? You could take it in turns to be a customer or an innkeeper. I wonder what tales you might tell about your adventures in the woods. When you are the innkeeper, you might want to have a notepad so that you can write down the customer's order.

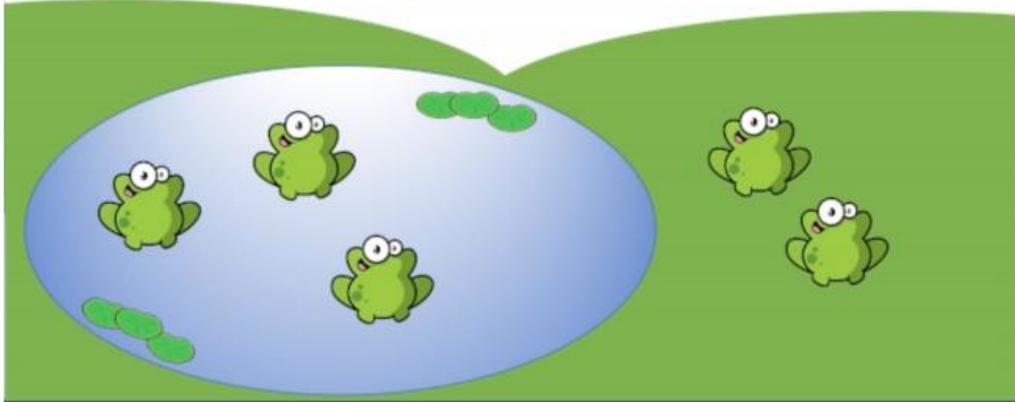

WEDNESDAY	Dough disco	<p>Start your day with some Dough Disco! If you don't have any playdough, you could make some with your family.</p> <p><a href="https://www.youtube.com/watch?v=DrBsNhwzgc">https://www.youtube.com/watch?v=DrBsNhwzgc</a></p> <p>Here is a really good recipe if you're going to have a go at making your own.</p> <p><a href="https://theimaginationtree.com/best-ever-no-cook-play-dough-recipe/">https://theimaginationtree.com/best-ever-no-cook-play-dough-recipe/</a></p>
	Phonics	<p><b>Watch the pre-recorded phonics video - Wednesday phonics (wb 11.01.21).</b> You will find this in The Learning Zone of the ILD.</p>

## Maths

Watch the video found on - <https://whiterosemaths.com/homelearning/early-years/alive-in-5-week-2/> - session 1 and then complete the following activity.

 **#MathsEveryoneCan** 

Have a go at exploring the composition of numbers to 5.  
Place a group of teddies or toys on the bed.  
Place another group of teddies in a different place, such as on the floor.

How many teddies are in each group?  
How many teddies do you have altogether?

Have a go at writing the numbers to show how many teddies or toys are in each place.

	English	<p>Think about the story of Little Red. Ask your child about their favourite parts and then ask them to draw a picture of their favourite part of the story. They could then add a label, phrase or sentence to go with it. It would be helpful if you could draw a line for your child to write on and then support them in hearing and recording sounds in words. I wouldn't expect all sounds to be heard and the children won't have correct spelling for many/all of the words. Below is an example.</p> <p>'Burping was the best bit' might look like 'bp wos the bes bit.'</p>
	Handwriting	 <p>Write some numbers and/or letters outside, on the ground, in chalk. Ask your child to use a paint brush dipped in water to trace over them. What happens? If you don't have any chalk or it's raining outside, you could always write the numbers and letters on paper, in pencil, for your child to trace over in pen.</p>
THURSDAY	Wake and shake	<p>Start your day with 'Wake and shake.' This is one of our favourites in class - Video killed the radio star.</p> <p><a href="https://www.youtube.com/watch?v=Y5v2cLMhhhU">https://www.youtube.com/watch?v=Y5v2cLMhhhU</a></p>
	Phonics	<p>Watch the pre-recorded phonics video - Thursday phonics (wb 11.01.21). You will find this in The Learning Zone of the ILD.</p>

## Maths

Watch the video found on - <https://whiterosemaths.com/homelearning/early-years/alive-in-5-week-2/> - session 2 and then complete the following activity.

 **#MathsEveryoneCan** 

Use 2 plates to explore the composition of numbers to 5  
Place some of your buttons on one plate and the rest on another plate.

How many buttons are on each plate?  
How many buttons do you have altogether?  
What if you used 3 plates?

Have a go at writing the numbers to show how many buttons are on each plate.

## Topic

Go on a Welly Walk around your local area.

Talk about which season it is and look for signs on winter. You could ask your child to take photos of the signs of winter that they find and then upload them to the ILD.

	<p><b>Magic words</b></p>	<p>Using a white crayon, ask your child to write some words, either tricky or decodable words. Then using paint, watch how the paint magically makes the words appear!</p> 
<p style="writing-mode: vertical-rl; transform: rotate(180deg);">FRIDAY</p>	<p><b>Dough Disco</b></p>	<p>Start your day with some Dough Disco! If you don't have any playdough, you could make some with your family.</p> <p><a href="https://www.youtube.com/watch?v=o9D5lfqZF3o">https://www.youtube.com/watch?v=o9D5lfqZF3o</a></p> <p>Here is a really good recipe if you're going to have a go at making your own.</p> <p><a href="https://theimaginationtree.com/best-ever-no-cook-play-dough-recipe/">https://theimaginationtree.com/best-ever-no-cook-play-dough-recipe/</a></p>
	<p><b>Phonics</b></p>	<p><b>Watch the pre-recorded phonics video - Friday phonics (wb 11.01.21).</b> You will find this in The Learning Zone of the ILD.</p>
	<p><b>Reading</b></p>	<p>Read the comic 'Sit' with your child.</p>

# Sit

Phase 2

Sit - Phase 2 1 = m d

I have saved a printable copy of the comic on the ILD in The Learning Zone – Friday reading wb 11.01.21.

Maths

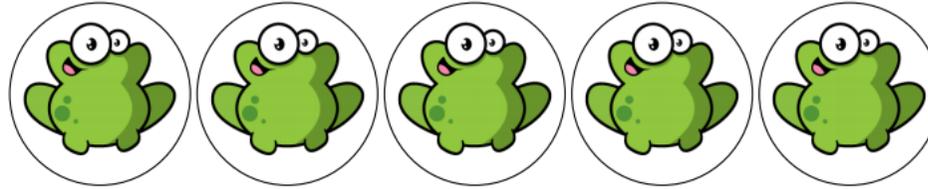

Watch the video found on - <https://whiterosemaths.com/homelearning/early-years/alive-in-5-week-2/> - session 3 and then complete the following activity.

#MathsEveryoneCan

Can you draw somewhere for the frogs to play?  
You might draw a pond, a log and some grass like me.  
Or you could draw a train with 3 carriages, a park or a jungle.

Cut out the frogs and arrange them in different groups on your picture.  
There are 5 frogs altogether but how many frogs can you spot in each group?

This file can be found on the ILD in the Learning zone.

Obstacle course

Can you prepare this obstacle course for your child? You can use anything around the house from masking tape to wool! Can they weave themselves in and out, going over and under? If you would prefer, you could make an obstacle course with your child, either inside or out, for them to travel around. Video your child doing this and add it to the ILD!
