Dear Parents and Carers,

We are excited to give you further information about our 'Book Buffet,' which will start next week (wb 08.02.21). Thank you for your responses to our initial communication as it has helped us to shape our plans.

If you would like to use the Book Buffet, please come to school during your child's allocated year group slot. It is important that you arrive within your allocated times in order to ensure the safety of all participants. Children must be accompanied by a single parent or adult guardian at all times and families must adhere to social distancing rules. Once you arrive at school, follow the signs for the book buffet and exit via the car park.

Before touching the books, please use the hand sanitiser provided. Once you have selected your books, please ensure you show the titles to Mrs Poulton so that she can update our records. You may take up to three books per child.

If you have children in more than one year group, please come during one of your allocated slots and let Mrs Poulton know. She will then make the books for your other child/children available to you.

There will also be a box for you to place all returned books into.
