Dear Parents/Carers

TD Day

Our original plan was to have a TD Day on Friday 12th February. The TD Day has now been postponed. Onsite provision will remain open for families of critical workers and we will continue to deliver the remote learning to those learning from home. We will inform you of the rearranged date once we have a clearer picture of when schools are reopening.

Parents' Evenings

Usually at this time of year, we would be arranging our Parents' Evening meetings to discuss your child's progress and attainment towards meeting their end of year group expectations. Due to the current circumstances and the uncertainty surrounding the easing of restrictions, we feel this would be more beneficial to take place once children have returned to onsite learning and teachers are able to fully assess your child/ren's progress.

Thank you for your continued support and patience - it is always appreciated but even more so this term.

With my very best wishes,

Mrs J dos Santos

Head of School
