

## **Subject: Re-opening of Lydiard Millicent After School Club**

Dear Parents,

We are pleased to announce that following the recent relaxation to both the Government's and the school's Covid-related restrictions, we have been given the green light to re-open.

The earliest date that we could possibly re-open is 28th June due to all the preparation work involved, which is only three weeks before the end of the school year. However, unless the numbers requiring the services of the club in those final few weeks of this term make it commercially viable for us to re-open, it is more likely that the After School Club will re-open at the start of the 2021/2022 school term in September when, hopefully, life will be even closer to normal.

### **Let us know your requirements**

With that in mind and so we can make an informed decision as to a confirmed re-opening date, can I ask that if you will be wanting to make use of the after school club service, that you email me, Caroline McKellar ( [Lmafterschoolclub@yahoo.co.uk](mailto:Lmafterschoolclub@yahoo.co.uk) ), directly with what your desired session requirements are likely to be for both of the following:

- The remainder of this school year (2020/21), from Mon 28 June to Thur 22 July
- From the start of next school year (2021/22), week commencing 1 Sept

Can I ask you to please come back to me with your requirements **by no later than Friday 11th June**, so that we can plan accordingly.

As before, pre-booked sessions available are Monday to Friday, from the end of school to 4pm, 5pm or 6pm and you can rest assured that we will be adhering to all Government guidelines to ensure the safety of your children at all times.

Kind regards,

Caroline McKellar
