Autumn Term 2

Friday 5th November 2021

Dear Class 4 Parents/Carers,

Welcome back after the half term break and we hope you all enjoyed some important rest and family time. It was a soggy one so perfect for welly walks and seeing the beautiful autumn colours! Our first term seemed to fly by and we are already coming to the end of 2021! The second part of the Autumn term is always busy in the build-up and excitement of Christmas.

Along with this letter, you will have been sent the class topic overview so you can support us in your child's learning this term. We are also sending out with this letter our Pick and Mix home learning activities. It would be so appreciated if you could encourage and support your child in completing at least one activity each week, for us to then share our wonderful home learning every Friday together. The children's pick and mix learning last term was an absolute pleasure to witness and the classroom environment looked amazing.

As well as Pick and Mix home learning, we also have spellings, reading and times table practice. This is compulsory to complete once a week. Spellings will be handed out on a **Monday** and will be tested on the **Friday**.

Topic:

Our topic, 'Poles Apart', is an exciting geography topic where we will focus in on the environments of the Arctic and Antarctic. We will locate the areas on maps and in atlases and explore the climate, wildlife and weather. We will also investigate how we can help to keep these environments safe for future generations. We will research risks to the Polar Biomes through tourism, pollution, climate change and the exploitation of natural resources.

PE:

Our PE sessions will take place usually on a Wednesday and Friday but these times may vary depending on the topic work we are doing and the weather as we will be using the outside space.

As stated in previous communication last term, PE kits need to be worn on these set days throughout the whole school day. Trainers are to be worn in school at all times.

Values:

In Term 2, we will be learning all about "Compassion".

Costly caring
Offering help
Making a difference
Putting others first
Always listening
Sensitive to suffering
Service in action
Interested in others
Offering care and concern
Noticing a need.

If you have any questions, please do not hesitate to contact the School Office on admin@lydiardmillicentceps.org

Thank you in advance for your support.

Class 4 team.

Mrs dos Santos and Miss Cuthbert
