

## READING

Remember to read 3-4 times a week. Ask an adult to comment in your reading journal.

## SPELLINGS

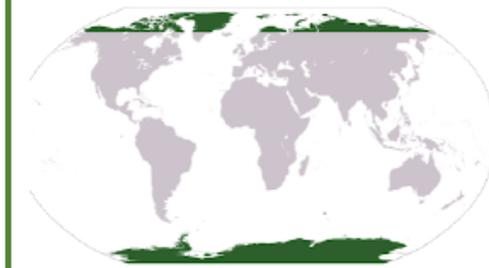

Don't forget to practise your spellings weekly and learn any key words.

## MATHS

Practise your 2,3,4,5,6 & 10 times tables and the related division facts. Remember to use TTRs.

- |   |      |
|---|------|
| • Read a story of your choice to a family member and discuss what happens.                            | 2pts |
| • Write a non-chronological report about a species of animal found in either the North or South Pole. | 4pts |
| • Write a setting description based around the beginning scene of 'Hortense and the Shadow'.          | 4pts |
| • Create a word search of different words related to the polar-regions for a friend to solve.         | 2pts |

## Poles Apart

## Believe ~ Learn ~ Grow

YEAR 4

AUTUMN TERM 2

This is your pick and mix home learning.

Complete at least 1 of these activities each week, handing the completed home learning in on a **Friday**. You should spend **no longer than 1 hour per week** on an activity and take activities from **all** of the different sections.

- |  |      |
|--|------|
| • Go onto TTRS and practise your times tables up to x12!   | 1pt  |
| • On Purple Mash, there are two 'To Do's' to complete on addition and subtraction.   | 2pts |
| • Ask a family member to complete some subtraction calculations. Can you check their answers by using the inverse operation? | 2pts |
| • Measure the perimeter of at least three different objects in your house.   | 2pts |

- |   |      |
|---|------|
| • We will be looking into 'Polar Biomes' this term. Research and write down what you think they are.  | 2pts |
| • Design a survival kit to keep you safe while exploring Antarctica.                                  | 3pts |
| • Research which of the poles has the coldest temperature and explain why.                            | 2pts |
| • Design a polar habitat. This could be a 2D or 3D representation.                                    | 3pts |
| • Compare the Arctic and the Antarctic. This could be presented in a table or a Venn diagram.         | 3pts |
| • Design a poster to explain the effects of climate change upon the polar-regions.                    | 3pts |
| • Have a go at drawing your own map of the world. Can you label the seven continents and five oceans? | 3pts |
| • Write an acrostic poem about the value of Compassion.   | 3pts |
| • Tell me a time you have shown our value of Compassion.  | 1pt  |

## Home Learning Certificates

Bronze - 6 points, Silver - 10 points, Gold - 15 points, Platinum - 20 points

25pts+ Special Award!
