

## READING

Remember to read 3-4 times a week. Ask an adult to write in your reading journal.

- |   |      |
|---|------|
| • Write an acrostic poem about volcanoes.   | 3pts |
| • Imagine you live near a volcano and it begins erupting. Write a story about what happens.                             | 2pts |
| • Create a table and write down as many nouns, adjectives, adverbs and verbs you can think of to do with Extreme Earth! | 3pts |
| • Research a place that has been hit by an earthquake and make a fact file.   | 2pts |

## SPELLINGS

Don't forget to practise your spellings weekly and learn any key words.

Extreme Earth!

## MATHS

Practise your 2, 3, 5 and 10 times tables on Times Tables Rockstars.

- |   |      |
|---|------|
| • Imagine you have been told that a natural disaster is about to hit your town. You have 10 minutes to pack one small suitcase. Make a list of the things you would pack. | 4pts |
| • Collect some old CDs. Glue them together, decorate them and hang them in your window. Watch as your creation catches rays of sunshine.                                  | 3pts |
| • Draw and label some of the emotions that people in extreme situations might experience.   | 2pts |
| • Find out 5 interesting facts about volcanoes.   | 3pts |
| • Create a weather diary for a week.  | 1pt  |
| • Create a house suitable for people living in the coldest place on earth using junk materials.   | 4pts |
| • Pretend you are a news reporter and film yourself reporting on extreme weather.   | 2pts |

## Believe ~ Learn ~ Grow

YEAR 3

TERM 2 - Extreme Earth!

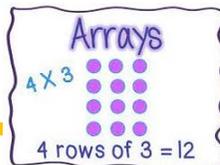

From week beginning 8.11.21

This is your pick and mix home learning.

Complete at least 1 of these activities each week, handing the completed home learning in on a Friday. You should spend no longer than 1 hour per week on an activity and take activities from all of the different sections.

- |   |      |
|---|------|
| • Spend 30 minutes on Purple Mash - Maths, focusing on Number: Addition and Subtraction (age 7-9)     | 3pts |
| • Create a game to help you practise your times tables.   | 2pts |
| Use the column method to work out 10 addition or subtraction calculations. Use 2 and 3 digit numbers. | 3pts |
| • Use items from around your home to create these arrays:   | 3pts |

3X3    5x7    2x10  
3x6    5x5
